English source

These aren't very nimble so the trail has to take a long swerve around the Transantarctic Mountains to come onto the plateau.

Venetian reference

No i xe tanto agili, quindi l'itinerario el ga da ciapar na longa deviasión intorno ale Montagne Transantartiche pa rivar fin a l'altopian.

NLLB zero-shot

Questi no xe molto agili, quindi el sentiero ga da far una lunga svolta intorno a le montagne transantartiche per arrivare in altopiano.

Sentence chrF ⓘ

46.72

LLM zero-shot

Sti qua no i xe tanto svelti, cussì el sentier ghe toca far un giro longo intorno ai Monti Transantartici par rivar sul altopiano.

Sentence chrF ⓘ
